

aloe sol[®]

High Quality Aloe Vera
Aloe Vera 100% from organic crop

Solchem works with one of the main Spanish manufacturer of Aloe Vera 100% from organic agriculture. Solchem distributes this organic aloe in Europe with the strong commitment to raw material quality in order to obtain high efficacy products.

What makes us different?

- **Sanitary and organic crop certification.**
- **Unique technology** for processing.
- Complete **traceability of the product**
- **100% Spanish origin**
- **Organic Certification.**
- **Tailor-made productions adding other ingredients** (Agave, bilberry and grape).
- **High content in specific Aloe Vera polysaccharides** (acemannan) **and minerals.**
- **Aloin free** (according to European limits : <0.1 ppm)
- **Fresh product** (manufactured on request).

Products we offer you:

- **Juice 1:1 and 10:1**
- **Concentrated powder 200:1**
- **With and without fiber**
- **Three types according to polysaccharides content:** Basic, Advanced and Premium.
- **Conventional or 100% Organic.**
